Each class meets a total of 34 times during the season - this includes all holidays and studio closures. Yearly tuition will be divided into 10 equal payments. The first payment is due at registration, then the remaining 9 tuition payments will be due on the 20th of each month, from September through May.

*****Please note that going forward, all payments will be processed automatically on the due date, so you must have a credit card on file. To add or update your credit card information, please log into the student account link website, then under My Account, click Edit Payment Info. If you have any questions or run into any issues with this process, please let us know.*****

There will be no credits or refunds for holidays, weather-related closings, or missed classes due to illness, vacation, etc. If your child misses a class, it can be made up in any level/age-appropriate class that's available. Please contact the office for assistance in finding a suitable makeup class. Please note that your annual tuition will be the same whether classes are attended in-studio or virtually. For staffing and budgetary reasons, we will be unable to adjust tuition should we be compelled by executive order to return to a rotating virtual format or a fully virtual class format. Any tuition balances that become two months past due will result in immediate suspension of classes /private lessons until said balances are paid in full. There is a \$20.00 late fee for all overdue tuition balances. Tickets for recital may not be purchased unless final balances are paid in full. This rule will be strictly enforced. There will be a \$35.00 non-refundable registration fee due per family.
